

*******IMPORTANT NOTICE*******

CareNet Pregnancy Center of Greater Concord was recently notified by our landlord that our building at 7 Greenwood Ave. will be torn down to make way for a senior living community. **We must be out of the building by September 1, 2018.**

We are actively looking for a new building that is zoned for a medical facility to be able to continue to provide the same services that our clients and friends have come to depend on. We anticipate that much of August will be dedicated to packing, looking for our new home and possibly finding a storage facility in the event that we are unable to find a new building in this short time frame.

While this news was unexpected, we are believing that with God's help and your faithful prayers and continued financial support, our impact in the community will not be interrupted. Plans for our fund-raising banquet scheduled for September 22nd are well underway and we will once again participate in Concord Market Days on June 21st -23rd.

Please pray for us in our transition process. If you can help by volunteering in any of the following areas or would like to donate funds toward our move, please contact us by phone at 603-224-7477.

We will need:

- help packing boxes and/or providing packing materials
- Help moving boxes, furniture and/or providing a truck for moving
- Assistance with a storage facility or storage area should we need one

We are excited to see what God has for us in this next chapter of our ministry. And we are so thankful for your love and support.
